

Dial 711. It's a breeze to communicate with anyone and say "Hello!"

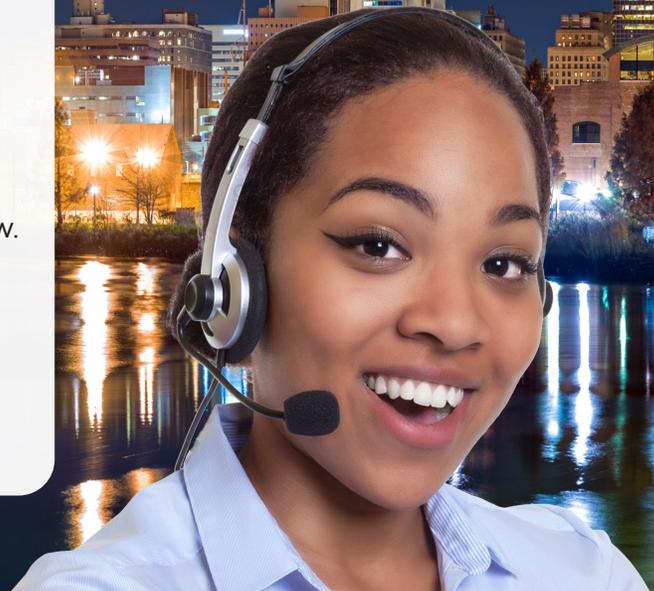

delawarerelay.com

Dialing **711** will connect you to **Delaware Relay**, a free service which allows effortless communication for people who are deaf, deafblind, hard-of-hearing, speech-disabled, and hearing.

It is very simple to make phone calls. Just:

- 1) Dial **711** or use the toll-free numbers listed below.
- 2) Choose an option and dial the number of a person you are calling.
- 3) Easily communicate - a relay operator will relay the messages between you and the caller.
