

Hawaii Captioned Telephone Service

“ I’m sorry.
Can you repeat
that, please? ”

- When the phone rings, do you feel **stressed**?
- Are you worried that you won’t understand the person calling you?
- Do you look around to see if someone else can answer the phone?

Well, worry **no more!**

Introducing **CapTel**[®]

Captioned Telephone Service allows you to answer your calls with confidence. With your new **CapTel** you can relax and enjoy your conversations again!

“ Yes,
I’d love to! ”

CapTel 840 Series

CapTel 840 Model Series Features

For people who prefer the familiarity of a traditional telephone look and feel.

The CapTel 840 requires only an analog phone line.

The CapTel 840i requires both a phone line and high speed internet for a seamless conversation experience.

CapTel 2400i

CapTel 2400i Features

For people who prefer a tablet-style telephone with a large, touch-screen display and helpful menu graphics. It also includes touch-key dialing pad, letting users dial with traditional number buttons if they prefer.

This model requires both a telephone line and high speed internet (WiFi enabled).

CapTel 880i

CapTel 880i Features

People with low vision or who have difficulty reading the standard caption sizes may prefer a traditional telephone look and feel with a larger screen (10").

This model requires both a telephone line and high speed internet (WiFi enabled)

English and Spanish Captioning is available for all CapTel products and services.

FEDERAL LAW PROHIBITS ANYONE BUT REGISTERED USERS WITH HEARING LOSS FROM USING INTERNET PROTOCOL (IP) CAPTIONED TELEPHONES WITH THE CAPTIONS TURNED ON. IP Captioned Telephone Service may use a live operator. The operator generates captions of what the other party to the call says. These captions are then sent to your phone. There is a cost for each minute of captions generated, paid from a federally administered fund. No cost is passed on to the CapTel user for using the service. CapTel is a registered trademarks of Ultratec, Inc.

CapTel service is part of the Telecommunications Relay Service provided by Sprint in cooperation with the Hawai'i Public Utilities Commission (PUC).
